Trent Leaseman (left) needed to replace his water heater. It was old, had lots of sediment in it that he couldn't remove. He decided he needed replacement. He chose a Marathon water heater. ***"It's fantastic! It was easy to work with and it's lots quicker than my old one. We don't have to wait for the water in the downstairs bath***

to warm up anymore. I'm very happy with it. It's safe and attractive too!"

Toni Laurella Smith (above) was building a new house in the Table Rock subdivision served by the co-op in Walla Walla. She wanted an electric water heater that was energy efficient and trouble free. ***"We decided on the Marathon water heater because it is so energy efficient and has a lifetime no-leak warranty. We really like it!"***

The Marathon Electric Water Heater is one of the most efficient on the market.

Clean, energy efficient and less costly to install. It's the way to go!
